ISM Training

ISM Training provides the most comprehensive range of learning and development solutions to meet the needs of individuals and companies. ISM Training helps clients achieve significant behaviour changes leading to improved productivity and increased competitive advantage in today's increasingly complex markets.

Social Media Marketing Introduction

Social Media marketing is an intensive three day Masterclass workshop from ISM Dubai. It is right at the cutting edge of the fast changing world of social media.

92% of Marketers indicate that social media is important for their business (social media examiner.) Social media marketing challenges and disrupts traditional marketing. It is part of our everyday lives. When you leave the house you now take a smart phone, car keys and money. Mobile technology has opened the world of social media to a huge global audience and potential customers.

Purpose of this course

The purpose of this social media marketing course is to ensure you are maximising your use of all the latest social media platforms. You will understand how your business can connect to your customers online and optimise the reach of your marketing. You will learn how to effectively identify where your prospective clients are and develop a strong strategy to engage them and build an audience for your brand.
