ISM Training helps clients achieve significant behaviour changes leading to improved productivity and increased competitive advantage in today's increasingly complex markets.

Strategic Marketing Planning Introduction

An organisation that develops and performs its production and marketing activities with the aim of satisfying the needs of its customers is market oriented. A market oriented organisation is clear that the "strategy" behind marketing is about managing relationships in an integrated and holistic manner.

This advanced level marketing Bootcamp is for practitioners and managers who want to get more involved with marketing planning and strategy.

Purpose of this course

This course focuses on the identification and creation of sustainable competitive advantage.

You will clarify the overall purpose and desired results of an organization in terms of strategic marketing, and how those results will be achieved.

On successful completion of the course delegates will be able to:

- **Structure** and write strategic and operational marketing plans.
- **Assess** your organisation's use of strategic marketing and make constructive recommendations to maximise 'business' benefits from a customer orientated perspective.
- **Appreciate** the customer-focused planning process and be able to map your organisation's decision-making against it.
- **Use** the key tools and techniques that ensure planning is externally focused.
- **Manage** segmentation analysis and decisionmaking.
- **Recognise** barriers to achieving high performance organisations and teams, and be able to recommend practical steps to overcome these in a variety of scenarios.
- **Appreciate** the critical importance of control and be able to recommend a range of control metrics in financial and marketing terms.

Key areas covered

01 ▶ Marketing's role in organisations today.

02 ▶ The challenge of establishing a market orientation.

03 ▶ Structure of a customer-focused business plan.

04 ▶ The tools of internal and external analysis.

05 ▶ Using the SOSTAC framework for planning.

06 ▶ Aligning strategic, operational and tactical level plans.

07 ▶ The challenges of segmentation in both B2B and B2C organisations.

08 ▶ How the marketing mix creates competitive advantage.

09 ▶ Metrics to improve future performance these points?

10 ▶ Are all of the functions in your company organised to deliver the value required?

11 ▶ Listing your key target markets in order of priority.

12 ▶ Creating value in each key target market.

*"What's the use of running if you are not on the right road."
- German proverb*

Who should attend?

This advanced level marketing Bootcamp is for marketing practitioners and managers who want to get more involved with marketing planning and strategy.
